## Our Services

Toppan Best-set supplies a comprehensive range of services for publishing and printing, in particular scientific, technical, medical, and academic journals and books. We are adept at tagging texts in XML. It is our commitment to implement digital workflows for both conventional and on-line publishing. In addition, we can output prepress work in various formats to suit the requirements of both traditional offset printing and digital printing.

**We offer the following:**

[Typesetting & Page Formatting](#)– Monochrome to Colors

[Digitizing Backlist Titles](#)

[Foreign-Language Composition](#)

[Project Management](#)

[Scanning, Sizing/Cropping, Manipulating Artwork](#)

[Copy editing](#)

[Redrawing & Labeling Illustrations](#)

[Monochrome, Full Color Printing and Binding](#)

[XML Tagging](#)

[Distribution](#)

[eBook conversion](#)
